Gomez dispatched a messenger with a Peso, for I have received no such or- RICHMOND BLUES request that the American commander ders. withdraw his camp. When the American troops remained motionless he sent attacked General Genez's command.

Chihuahua City with the customary proceeding the engagements several protection." protection.

The Mexicans had the advantage, for they had provided themselves with a machine gun and this is supposed to done deadly execution in the ranks of the Americans. That the latter were not inefficient, however, was proved by the number of Mexican dead and wounded, removed to Ahumada and witnessed by Americans der coming north on a train bound for

The battle began about 10:26 A. M. and lasted not more than an hour. It apparently ended with both sides withrawing. The failure of General Per-cular reads, "will be given protection, shing to report on it, indicated that but those carrying arms will be given turned to their base at an early hou to-might.

MAXEY CORROBORATES

MUBBLERS STORY The story brought to El Paso by Subble, who has been employed by the Compania Agricola, at Boquillas, bears Nueva out saveral of the details of the engagement presented by General Conmiss. Hubble's story was corroborated way to El Paso from the interior, Hubhey noticed numbers of dead and the day by the Mexican commander counded being brought in, and were old by a Carranga captain that a attle had taken place. The captain formed them they said that a numtaken to Chihuahua City to be bunged.

They mentioned Mexican soldiers who told them that several hundred Americans and 126 Mexicans had been en- the hills above Cruces Canyon, accord-

According to the story they told us, the Mexican command was concealed in he underbrush when it discovered the American cavalrymen riding toward hem over the sand. General Felix Goniez, the Mexican commander immediately sent a courier asking for a parky under a flar of truce with he American commander. The parley was arranged, and as the Mexican the Americans suddenly deployed in micircular skirmish line.

"General Gomez, apparently believag he was about to be attacked raised is arm and signated a machine cun in the rear to open fire on the Ameravalry ranks, causing heavy losses. Unmediately, however, ent of American troopers dashed forthe field, where General Gomez and iff was sitting on their horses. avalrymen killed the Mexican leader of the Carranza party escaped to their

Mexicans openly bousted that the icans had been drawn into an two Americans said their infor-

was that the Mexican dead imbered seventeen, and the Americans and taken forty prisoners.
Both Maxey and Hubble pointed out that all of the Mexicans with whom they talked apparently left the field before the engagement had been completed. Late to-night preparations apparent-

Late to-night preparations apparently were under way for the peaceful evacuation of Juarez Several troop trains were julied into the railroad yard ready for immediate use. Andreas Garcia, McKauri Cousul in El Paso, crossed the Ris Granule following the first reports of the engagement, and remained with General Gonzales throughout the night lie kept in touch with General Boil on the American side by telephone, however. Neither the consul nor the Mexican infiltary authorities would discuss reports of the proposed evacuation.

the proposed evacuation.

A large number of citizens of the town were busy loading their house, hold goods on vans and other vehicles, estansibly to transport them to the

South Numbers of persons gathered about Numbers of persons gathered about the Plaza immediately when news of the battle became public, but there was no demonstrations. Mexicans apparently confined the inscrives to speculation as to the consequences, theavy patrols were thrown into the streets with instructions to put down any discoviers.

VICTORY FOR MEXICO

At General Gonzaler's headquarters victory for Mexico was being claim.

A. The scene in the front room of ed. The scene in the front foom of the Commandan is where the younger officers were gathered, was holiday-like. Several of them, speaking of the nattle, said, "We won." They remained composed, however, and made little other reference to the incident.

Juanes first learned of the fight in

The civinan population then began to pack their household goods.

Many already had left for interior points by a morning train in anticipation of the trouble. Others crossed to El Paso later in the day. A curious

to El Paso later in the day. A curious scene of the late day was a procession of civillans carrying arms. In age they ranged from small boys up to old mar. old men Warlike activity was first noticed at the railway yard where a string of

at the railway yard where a string of freight cars hay coupled to several day couches that hore the name of the army corps of the north. A number of men were employed there in stowing sacks of beans and four, forage and other army supplies. Enter a rather large body of Maximan cavairy passed through the town toward the tills. Many wagons filled with women and children were bound also in that direction.

No instance of any attempt to mo-

No instance of any attempt to molest any American was reported. After
dark no American is believed to have
remained in Juarez.

"This shows how dangerous it is to
being American and Mexican troops in
contact," said Mexican Consul Garcia
to-night, "but it need not lead to war.
It may be treated as a regrettable incident. I am still optimistle."

Consul Garcia said he would spend
the night in Juarez, explaining that he
might do more good there than on the
American side.

"You can deepy," he added, "that I
am going to close the consulate in El
